Essential Skills Input Session

What kinds of jobs will our students have in 10 years?

Many of these jobs have not even been imagined yet. We need to prepare our students with an essential set of skills that can be adapted to a variety of work environments and the skills they need to be safe, happy, and healthy adults.

WE NEED YOUR VOICE!

We hope to have parents, teachers, community, local businesses, and students join us as we have this important discussion!
